The Experience

Experience this extraordinary event and drive a tank a BMP or BMP 2nd yourself! The BMP is one of the most widely used armored vehicles in the world. It was developed by Soviet armored personnel. The abbreviation BMP means "the infantry combat vehicle" in Russian. It weighs about 13.5 tons and has 300 horsepower! The BMP 2 is an amphibious armored vehicle made by the Soviets. The BMP-2 was built in 1982 as a supplement and not as a replacement for the BMP-1 in the USSR. This tank is a "Combat Vehicle of Infantry - Type 2" and has a weight of 14.3 tonnes a top speed of 76 km / h. A journey with one of those incredible tanks is unforgettable ...

Itinerary:

The total time amounts to about 60 minutes and is divided into a technical and a practical part. You will receive a 15 minute safety instruction about the use of tracked vehicles and a technical briefing on the operation and handling of the vehicle. If desired, you will also receive detailed information on the vehicle. Then the fun begins!

The 30 minute journey begins on an interesting and challenging circuit, with an experienced member of the POWER TANK team at your side. After the ride you still have time for photos and for more questions you have. Duration takes around 60 minutes of which the actual drive takes 30 minutes.
