The Experience

Start your flying adventure today! This is the perfect gift experience for anybody who has dreamt about flying an airplane. Take a 1 hour flying lesson and get some real hands-on experience. When you arrive to the scene you will be given a pre-flight briefing by your instructor in order to get to know how the machine works and to get familiar with the controls. He will also go through the safety instructions and tell you what to expect during your Flying Lesson.

After all safety instructions, you are ready for lift off. Your instructor will do the lift off but once you are up in the air, you are the pilot. Wearing a headset during your entire flight, you will have all the necessary assistance from your instructor to handle an aircraft. Discover the absolute freedom of flying and enjoy these beautiful views from a bird's view during your Flying Lesson. You as the student will be supervised all the time by our experienced pilot, so that he can get a complete insight in handling this aircraft. Following your landing you will have a short de-brief and a certificate presentation. If you are interested in becoming a pilot, then this is a great start.

Vital Information

Experience Hunters must be at least 15 years old in order to log flying hours against a pilot's licence. However, in order to participate in the experience, you must be over 5 foot 1, meaning participants can be younger as long as they meet the minimum height. Maximum weight is 100kg, please contact us if you are over 100kg. Maximum height is 6ft 5in.

The Weather

Your 1 hour flying lesson is a weather dependent activity and it is crucial that you call the centre for a weather check before setting out. If your flight is cancelled due to the weather it will be re-booked for an alternative date or time.

Session Length

You will have a 1 hour flying lesson plus 15 minutes briefing time.

Numbers

Your briefing may be shared, your flight will be held on a one-to-one basis with the instructor. The price mentioned above is for one participant only.

Spectators

Spectators are welcome to watch you take off and land during your flying lesson.

What To Wear

Dress comfortably and wear flat-soled shoes during your flying lesson. Bring sun block in summer. Sunglasses are recommended all year round.
